How Clear Is the Family's Picture of Your Husband's Care Arrangement?

Twelve quick questions about what the family knows. At the end: what's clear, what's still unclear, and what to ask.

Answer yes, no or not sure. This checks how complete the family's picture is. It doesn't measure your husband, you or the kids, and no answer here means the arrangement is working or isn't.

1. Do you have a written list of what you do for your husband in a typical week, with the new or changed tasks marked?

QUESTIONS TO CLARIFY

What this doesn't do

It counts what the family has talked about and written down. It doesn't count how well anyone is doing, and a short first list means only that some things haven't been said out loud yet. Most of them are one conversation or one ordinary week of note-taking away.
