How Much of Mom's Application Paperwork Is in Hand?

Thirteen quick questions about what you have. At the end: what's in hand, what's unclear and what to ask.

WHAT YOU HAVE

WHAT'S STILL UNCLEAR

QUESTIONS TO CLARIFY

What this doesn't do

It counts the paperwork you have in hand, not where Mom's application stands. A low count means there are things still to find or to ask, and many of them are a drawer, a phone call or a relative away. It doesn't say whether the file is complete, whether Mom may qualify, or when to apply. Rules vary by state, nothing here is legal, financial or tax advice, and those questions go to your Medicaid planner.
