# What's in Place for Dad, and What's Still a Guess?

Twelve quick questions for families planning ahead. At the end: what you know, what's still unclear, and what to ask.

Answer yes, no or not sure, from wherever you're sitting. This checks how complete your family's picture is: the records, the contacts and the review routine. It doesn't measure Dad's finances, and nothing here says anything about whether he will ever need Medicaid or would qualify for it.

**WHAT YOU KNOW**

**WHAT'S STILL UNCLEAR**

**QUESTIONS TO CLARIFY**

**What this doesn't do**

It counts what your family has in place, not Dad's finances or how he is doing. A low count means there are things to find out, and most of them are a conversation with Dad away. What Medicaid requires after an approval in his state isn't on this page; that's a question for your Medicaid planner. Nothing here is legal, financial or tax advice.
